

QUICK INSTRUCTIONS

Jeremiah 23:18, 22

For who has stood in the secret of the LORD and has seen and heard his word? Who has payed attention to His word and heard it?

For who has stood in the council of the LORD to see and hear His word? Who has paid attention to His word and obeyed? But if they had stood in my council, they would have proclaimed my words to my people and would have turned them from their evil ways and from their evil deeds.

ASHER – TO GO STRAIGHT; TO MAKE PROGRESS AND TO ADVANCE

PRINCE ANGELS FOR CANADA

VALOUR

VICTORY

JUSTICE

Love is the platform from which we should function. Our intention should be aligned with the intention of YHVH for He desires that none perish. Even though we are a *son of YHVH*, we DO NOT do anything apart from Him. Jesus is our prototype. He is our example as He only did what He saw His/our Father do.

This is why an intimate relationship and friendship - to know our Father's heart must be our motivation. From this place of sacred union, we will flow seamlessly in co-labouring with His desires for our nation.

We do have authority to stand in the councils/court of YHVH and begin to legislate in repentance out of heaven. Then, we can commission Valour, Victory and Justice - all out of relationship.

We hold our nation, city, town, community in our hearts by honouring and valuing. We brood over our nation in love, holding her close like a child.

We can take responsibility for our City by sitting over her in the spirit by holding it closely in our heart with love and then speaking and decreeing life into her.

I can sit over my city, family, town, etc by cultivating desire and intentionally holding it close to my heart. I feel Father's heart for it and then release His desires over it.

We sit over our nation when we go to the courts on behalf of our nation and legislate.

Engage the angelic of that territory and commission them to police the territory. They can stand on the boundary of the territory and stop the enemy. Our job is to advance our Father's will and purposes to all creation.
